

Fiscal Estimate Narratives

DOA 10/9/2009

LRB Number	09-3216/1	Introduction Number	AB-0468	Estimate Type	Original
Description					
Municipal court fees					

Assumptions Used in Arriving at Fiscal Estimate

AB-0468 does not change the amount of the municipal court fee received by the Department of Administration (DOA) and thus will have no fiscal effect on DOA.

The new maximum court fee may increase revenue to municipalities, however DOA does not have access to the data necessary to determine the fiscal effect.

Long-Range Fiscal Implications

None for the Department of Administration.
